Re: Firefighter Mandatory training plan

The following information is what chapters and pages are covered for the Firefighter Mandatory course. The Instructor's guide for these courses is from the **IFSTA Essentials of Fire Fighting and Fire Department Operations, 5th Edition** Instructor's Guide.

The Mandatory Practical Skill Evaluator's check sheet has been updated to match the **IFSTA Essentials of Fire Fighting and Fire Department Operations, 5th Edition** material. The practical skill sheets, evaluator's check off forms, and other course material are online at <http://www.in.gov/dhs/3093.htm>

- Mandatory level training shall be completed by all firefighters, who desire to respond to fires and emergency incidents.
- After a student completes the training course, the student shall complete and pass a practical skills examination, and state written examination.
- After a practical skill examination and state written examination are completed, the student may apply for Firefighter Mandatory certification.
- The fire chief, lead instructor and lead evaluator shall sign application for certification.
